

The Honeymooner

She is a forced to be reckoned with,
comfortable in her sniper skin she worked so hard to grow into,
a breadth, more depth, a strike within.
Wit you want to emulate.
Scathing, calculating hate
for the patriarchy that holds her down,
she breaks her back to escape their fate.
Break all the competition.
Unleash rivals' derision.
But all the jealous haters hate the glowing glimmer she's been given.
I've been awed on the sidelines, waiting to vie for her precious time,
but my opportunity is fading as I drop her line after line after line after line.
After line.
Which begs the question: will it work this time?
Time will tell but I can't help but just to feel sublime.

She is eternal, but I am fleeting.
Savor the moment, for it's always leaving.
She is eternal, but I am fleeting.
Savor the moment.

And this to shall pass,
just like the first time
we met eye to eye
when we met eye to eye.
This to shall pass just like the first time.

Verse 2 won't flaunt her beauty, verse 2 won't flaunt her mind
Verse 2 won't flaunt the fact she hides the fact that she is truly kind.
Verse 2 won't bring me closer to coming closer to her.
Verse 2 will only work for a moment, just a moment.
I am just a blur.
Blur or blip on her radar screen.
I once saw her in my dreams.
She called me out for acting smooth,
I called her out for not being pristine, prim, or proper,
on a bad day she's a basic hipster chick.
But the flip the script on a good day, she's better than the perfect fit.
She's better than the perfect fix.
But cougar, can we go legit?

See if this is it, if we only got one life to live,
let's cast away all regret and reconnect before this slips, slips away.

She is eternal, but I am fleeting.
Savor the moment, for it's always leaving.
She is eternal, but I am fleeting.
Savor the moment.

And this to shall pass,
just like the first time
we met eye to eye
when we met eye to eye.
This to shall pass just like the first time.

I am the new moon: I'm spectacular, but I am only a phase to her.
I am the eclipsed moon: I'm spectacular, but I am only a phase to her.
I am the blue moon: I'm spectacular, but I am only a phase to her.
I am the full moon: I'm spectacular, but I am only a phase to her.
